

## Halaal Logo Sticker Usage Declaration and Control Acknowledgement Form

### 1. Purpose

This document serves as a formal declaration and control mechanism governing the use, storage, and accountability of MJCHT halaal logo stickers issued to the certified client. It shall be read in conjunction with the MJCHT Halaal Logo Sticker Control Policy and the MJCHT Halal Certification Terms and Conditions.

### 2. Declaration of Responsibility

The undersigned client hereby acknowledges receipt of MJCHT halaal logo stickers and accepts full responsibility for their control, safekeeping, and usage. The client confirms that all stickers shall be used strictly within the scope of valid halal certification and in compliance with all applicable MJCHT requirements.

### 3. Control and Security Requirements

The client undertakes to ensure that all halaal logo stickers are maintained under secure conditions at all times. Stickers shall be stored in a controlled, locked environment with access restricted to authorized personnel only. The issuance and application of stickers shall be strictly managed by the designated signatory or authorized halaal representative to ensure traceability and prevent misuse.

### 4. Compliance with Certification Requirements

The client confirms that the use of halaal logo stickers shall be governed by the MJCHT Halal Certification Terms and Conditions. Particular attention is drawn to the requirements relating to halal claims, labeling integrity, and misuse as stipulated in the relevant clauses, including but not limited to clauses 4.9, 5.3, and the provisions contained within Section 15. These provisions shall be fully applicable to the control and use of halaal logo stickers.

### 5. Product Scope Confirmation

The client confirms that all finished products on which the halaal logo stickers will be applied have been formally declared, assessed, and approved by MJCHT and are maintained on record. No stickers shall be applied to products outside of the approved certification scope.

Confirmation: Yes / No

(If "No", sticker usage is not permitted)

### 6. Operational Details

The client shall provide the following information to ensure proper control and traceability:

6.1 Intended Timeframe for Sticker Usage:

---

6.2 Total Number of Stickers Requested:

---

6.3 Number of Product Lines Covered:

---

### **7. Accountability and Traceability**

The client acknowledges that all sticker usage must be traceable to production, packaging, or sales records. Adequate internal records shall be maintained to reflect quantities received, issued, and used. These records shall be made available to MJCHT auditors upon request.

### **8. Audit Verification Requirement**

This declaration and the associated sticker controls shall be subject to verification during MJCHT audits and inspections. The auditor shall confirm compliance with storage, usage, and traceability requirements, and shall record findings accordingly.

### **9. Non-Compliance**

The client acknowledges that any misuse, loss of control, fraudulent use, or unauthorized application of halaal logo stickers constitutes a breach of certification requirements and may result in corrective action, suspension, withdrawal of certification, and where applicable, legal action being instituted by the MJCHT.

### **10. Formal Acceptance and Sign-Off**

By signing below, all parties confirm that the requirements outlined in this document are understood and will be fully implemented and maintained.
